The Heat Is On. . .

And staying hydrated is critical. Our bodies are over 60% water and every cell, tissue, organ and nearly every life-sustaining body process needs it to function!

Keep an eye out for the following symptoms: headache, dizziness, dry eyes, nose bleeds, irritation to throat tissue and lungs, and muscle cramps. If you experience any of these, it's past time to reach for that glass of water.

Don't worry if you forgot to bring a drink to the barn - there are water bottles in the office!

We are Spirit

Have you met Janet?

Janet spent her childhood as a part-time cowgirl in Bakersfield, CA, where she learned to ride horses with the best of them! Following her father's footsteps into the legal field, she pursued a career as a paralegal, working in various types of law. She relocated to Las Vegas in 1997.

Volunteering at Spirit fulfills both her love of being around horses and her desire to help make a difference in the lives of our deserving kids!

Happy Birthday!

We'd like to wish a very happy birthday to the following members of the Spirit Team:

- Marti A - June 3
- Janet W - June 18
- Collin S - June 27

Spirit Reins

There's still time to sign up for the June session of Spirit Reins.
