

TROT UP FOR SPIRIT

SPIRIT THERAPIES IS AN ACCREDITED PREMIER THERAPEUTIC HORSEBACK RIDING CENTER THROUGH PATH INTERNATIONAL

(PROFESSIONAL ASSOCIATION OF THERAPEUTIC HORSEMANSHIP INTERNATIONAL).

Spirit Therapies is a 501 (c) 3 non-profit organization where children and adults with a wide range of physical and mental disabilities experience the expansion of their worlds through the magic of connecting with horses. Our horses are specially trained four legged therapists, who help our riders improve their lives through physical contact, exercise, and interaction with others. Our well-qualified instructors are certified by Professional Association of Therapeutic Horsemanship International (PATH).

As our rider's skills increase, so does their self-esteem and general well-being. Research has proven that exercise and interpersonal interaction produces profound benefits for disabled individuals working to reach their full physical, mental, and social potential.

Our Mission Statement

Spirit Therapies is a non-profit therapeutic riding center that positively impacts the lives of the physically and mentally challenged through connecting with trained therapy horses, certified instructors, and compassionate volunteers. We will educate and bring awareness of this valuable therapy to the public, and one day, be able to offer therapeutic riding free of charge.
