

SPIRIT THERAPIES

SPONSOR ONE OF OUR RIDERS

MISSION STATEMENT

Spirit Therapies is a non-profit therapeutic riding center that positively impacts the lives of the physically and mentally challenged through connecting with trained therapy horses, certified instructors, and compassionate volunteers. We will educate and bring awareness of this valuable therapy to the public, and one day be able to offer therapeutic riding free of charge.

The annual rider registration fee is \$55.00 and includes:

- Insurance for the rider and caregiver for one year.
- All newsletter and other written materials.

Weekly rider fees are:

- \$45.00 for one—1/2 hour private lesson per week
- \$35.00 for therapy for group lessons, 1 hour lesson per week (2—4 riders)

A rider may ride more than once a week. The fee will be the same amount, times the number of lessons per week. Fees may be paid by “Scholarship” money from family, friend, or organizations. The “Scholarship” would be classified as a donation, and as such, is tax deductible for the donor.

Spirit Therapies is a full atmosphere of physical and mental therapy for individuals with Down syndrome, Rett syndrome, Multiple sclerosis, Angelman’s syndrome, muscular dystrophy, spinal cord injuries, emotional distress, autism and other disabilities through horseback riding and interaction with volunteers and therapists. We have recently launched a program for our active duty military and Veteran Heroes. Research has proven that this type of atmosphere produces profound benefits for individuals with special needs working to reach their full physical, mental and social potential.
